

Maria Nowak Research Fellowship

Application Form

Main Contacts

(In case of joint proposals, indicate the name of each organisation and specify who will be the main contact)

1. Organisation name(s):
2. Contact person:
3. Job Title:
4. Country:
5. Email:

Proposal (max 5 pages)

1. Research Question

What is your research need?

What would be the main goal of the research conducted?

What are your main research questions?

2. Relevance

How is research tackling the call main topic (underserved population: women, migrants and refugees, youth, rural populations, individuals with disabilities and seniors)?
What type of insight/learnings can the research provide with regards to underserved population?

3. Feasibility

How will you make sure that the research is implemented within the proposed timeline and budget?
What will be the milestones of the assignment?
How are you planning to support the researcher (e.g. staff dedicated to support the researcher, access to data and clients/staff/relevant stakeholders, etc)?

4. Impact for the organisation

Which use would you make of the results?
What will change for your organisation?
Would you conduct this research anyway?

Data sharing:

By submitting this proposal, you are aware that the selected researcher will use the data gathered during the assignment (anonymized or aggregated) for research purposes (e.g. to draft an academic paper).
